## 1 Bedroom for rent in home \$550.00 per month

I have a furnished room available for rent in my home. I don't have cable, I do have wifi.

I share my home with another individual who has lived with me for a number of years. We both work shift work with Interior Health. Irene in Health Care and myself in Mental Health and Substance Use.

There is available transit here with a bus stop outside my home. The bus service is limited.

There is a convenience/gas store, Back to Earth and Blue Nose Delicatessen all within working distance of my home.

My home overlooks mountains and orchards.

In the summer I have an above ground pool available for use.

There is an elderly medium size dog that lives with us called Lucy

I don't ask for a damage deposit. I trust if anything is damaged it would be repaired or replace.
