

# Housing Opportunity

## 1 Bedroom & 1 Bathroom in shared condo

**Rent is 950/mth which includes wifi and all utilities. It can be available for August 15th or anytime after that.**

It is shared with me in my 2 bdrm / 2 bath condo in the Heron Glen Strata in the Harwood area. It is a quiet strata community. I work from home and also out in the communities within the Thompson Okanagan Region as a wheelchair accessibility consultant.

The room has a closet and is furnished with a desk, single bed and night table. The kitchen, living, and dining area will be shared space. Washroom is Private to renter.

I have a cat and a very gentle and kind black lab that is with me half time, and a small but quiet backyard space which backs onto a trail system along the BX Creek.

Laundry is in my home, parking is available, and it is close to a bus stop and all amenities are within walking distance: Walmart, Rona, Tim Hortons, McDonalds, Village Green Mall, etc.

The room available doesn't show the bed in it as of yet, but that would be arranged prior to move in date, and other furniture in the room at this time would be moved out, other than the desk if the student prefers to have the desk stay in the room.
